

Pathways towards green transition of European urban areas

Final International Conference

22nd November 2022

Venue: Circolo - Comunita' Degli Italiani Di Pola, Carrarina 1, 52100, Pula, Croatia

Organized by: IRENA – Istrian Regional Energy Agency

Agenda:

9:30 **Registration of the participants**

10:00 **Welcome speech**
IRENA – Istrian Regional Energy Agency

10:10 **The CITY MINDED project: general features**
Andrea Poldrugovac, IRENA – Istrian Regional Energy Agency

10:30 **Session 1 - Teaching decarbonisation – Methodologies and experiences from CITY MINDED**

- **Methodology and guidelines – a roadmap for the establishment of the CITY MINDED itinerant workshops**
Matteo Maccanti, UNISI – University of Siena (IT)
- **Roadmaps for the carbon neutral urban areas of the City Decarbonisation Itinerant Workshops**
Josefina López Galdeano, UPO – University Pablo de Olavide (ES)
- **The CITY MINDED modular course on decarbonisation: learning and teaching tools for students and teachers**
Francesca Paola Mondelli, UNIROMA3 – University of Roma Tre (IT)

11:15 **Coffee Break**

11:30 **Session 2 – Approaches to urban sustainability**

- **Risks, vulnerability, resilience and adaptation to climate change**
Yago Martín Gonzalez, UPO – University Pablo de Olavide (ES)
- **Research, study, and proposals for a Carbon Neutral future**
Valentina Niccolucci, Michela Marchi, UNISI - University of Siena
- **Town of Poreč-Parenzo - Sustainable transport and mobility solutions in service of achieving European energy and climate policy goals**
Gordana Lalić, City of Poreč
- **From climate change to decarbonisation via energy planning. Roma Tre's research experiences in the field.**
Lorenzo Barbieri, UNIROMA3 – University of Roma Tre
- **The City of Raša – a result of proper urban planning**
Mladen Bajramović, association IUR Raša

13:00 **Lunch Break**

14:00 **Session 3 - Multi-level perspectives and experiences of urban decarbonisation**

- **Position of heritage buildings within energy transition paradigm**
Dalibor Jovanović, IRENA – Istrian Regional Energy Agency
- **City of Labin – The new look**
Dolores Sorić, Labin Stan d.o.o.
- **Empowering consumers through renewable energy self-consumption and energy communities**
Diane Cassar, MIEMA – Malta Intelligent Energy Management Agency (MT)
- **Apsyrtides energy cooperative - an energy community initiative on the Cres-Lošinj archipelago**
Ugo Toić, Apsyrtides energy cooperative (HR)

15:15 **Q&A**

15:30 **Conclusions - Outcomes from CITY MINDED project and future perspectives**
Andrea Poldrugovac, IRENA – Istrian Regional Energy Agency
